## Web-Based Service Permissions 2024

Dear Parents and Carers, \_

Neville Bonner Primary School uses a number of web based services to support and enrich our students' learning.

As a school we are obliged to seek parent permission for us to utilise web-based platforms where we provide information such as students' names and year groups. This information is for the benefit of the school and our students. To ensure we have accurate permissions we are asking that **all** families complete this form to indicate permission for the applications that we will be using at Neville Bonner Primary School.

Before doing so, we are asking that you read through the information associated with each of the third-party web-based platforms.
